Daily Turnover Restrictions:

System is designed in such a way that participants can place trades only up to a trading turnover of Rs.3 Crore per day. Turnover means the sum total of all the transactions executed on a particular trading day. This includes shares bought and sold on the same day or shares sold today while they were purchased on some other trading day. If a participant exceeds turnover of Rs.3 Crore on any day of the contest, system will disable the trading of that participant.
