PROGRAMME OVERVIEW

The three-year Bachelor of Business Administration programme is designed with the objective of making students corporate-ready, either to become entrepreneurs, junior level executives in the industry, or to pursue higher education, by equipping them with a holistic view of the business environment, basic business functions and their interrelationships.

The structure of the program is planned to equip the students with requisite knowledge and management skills. This program also lays a concrete foundation for students who may want to pursue higher education in India or abroad.

PEDAGOGY

The pedagogy will include lecture sessions, practicals, case discussions, seminars, and presentations. A course will be covered in 45 sessions of 60 minutes each, spread over 4.5 months. The importance of each course is defined in terms of credits attached to it. Semesters I to IV during the first two years of the programme consist of core courses.

Semester V commencing in the third year of the programme offers 6 courses all specifically designed to prepare students for admission tests to various MBA programs. Semester VI will offer courses in specialization areas such as Marketing, Finance & Human Resource Management.

COURSES
