Mentoring and Assessment
Other Courses and Programmes
Alumni
“Straight from college, we had no idea about the world of business. KIIT School of Management (KSOM) helped us to mould into confident Managers through high quality learning, innovative mentoring and vibrant environment for all round development.”
Can a management education be **RADICALLY DIFFERENT?**

With businesses world-over getting increasingly complex and learning curves shortening, management graduates are expected to be productive from day one. Businesses today expect that the new hires already have good understanding of their business and can start working with minimal in-house training.

Business schools therefore have to constantly innovate their course curriculum to ensure that students adapt quickly to the organization they join and start creating value.

KSOM’s learn, experience and adapt structure ensures that students seamlessly fit into any role they are assigned on job.

This is achieved by a mix of out-of-classroom learning, role-plays, business simulation, live consultancy projects, seminar interaction with business leaders, a structured summer internship, regular workshops, club activities, research undertaken by students and jointly working with the industry through partnership and tie-ups.
MESSAGE FROM THE FOUNDER

Constant pursuit of knowledge has made KIIT what it is today; a sprawling University remarkable for its ability to constantly evaluate the direction education should take, and quickly adapt to the needs of the industry and the society at large.

KIIT, having grown rapidly from modest beginnings, today offers several undergraduate, postgraduate and doctoral programs from 28 different constituent schools. The synergies accruing from having so many programmes is immense and it is the endeavour of the University to leverage such synergies to constantly innovate and create new knowledge.

KSOM has always been an institution that the University is proud to have in its fold.

Having a long and illustrious legacy of 25 years, the school ranks among the top in Eastern India and is one of the premier B-schools of the country, producing capable managers, many among whom are either entrepreneurs or occupying senior management positions in the industry.

It’s my great pleasure to invite you to visit and explore the institution, and be a partner in its quest for excellence.

At KSOM, students are prepared to be all rounders, comfortable with every area of business, not just in their chosen specialization.

We need to rethink how sustainability and development are going to go hand in hand. We have to add value to our environment in which we progress and start giving it back the care it deserves. Nature provides us all with nourishments. We are blessed to have the most beautiful and selfless creatures on the earth with abundance, the trees. They supply us with everything that is required to survive. Every tree planted is a step towards protecting our children’s future. Therefore we, at KIIT University, have created an eco-friendly lush green campus. The envelope besides this message carries seeds. Join the movement of creating a better World and commit to a ‘Green’ planet by planting these seeds.
Kalinga Institute of Social Sciences (KISS)

www.kiss.ac.in

KISS has been declared a Deemed University (U/S 3 of UGC Act, 1956) by the Ministry of Human Resource Development, Govt. of India on August 25, 2017. With this it has become the first tribal university in India and in the entire world.

Organization in Special Consultative Status with the Economic and Social Council (ECOSOC) since 2015. NGO Associated with the United Nations Department of Public Information (UN DPI).

Kalinga Institute of Social Sciences (KISS), the largest tribal institute of the world, provides food, accommodation, health care and all the basic necessities of life absolutely free to 37,000 poorest of the poor tribal children to pursue their studies here from KG to PG as well as vocational training. KISS, as an unique experiment to eradicate poverty through education and use of education as a tool to empower the underprivileged section of the society and provide sustainable employment, is being hailed by statesmen, policy makers, planners, social workers from India and abroad.

www.ksom.ac.in
Management education is currently passing through a metamorphosis in response to the changing landscape of jobs and talent under Industry 4.0. Technology disruption has become a mass initiative around the globe, and continuous innovations powered by new technologies have become the order of the day. Never before in history, the patent offices have been so busy. New business models are emerging thick and fast, disrupting almost every traditionally successful and monopolistic business empires. Startup businesses are sprouting like seeds in the wild, and creating massive organizations within no time. It is an exciting time for the young graduates, to enter the world of work despite the associated challenges. Technology and Innovation have created a level playing field for all of humanity, irrespective of social, economic or ethnic backgrounds that had traditionally been barriers to evolve a truly egalitarian society, where every child, every youth and every adult has the same opportunities to shine and prosper.

KSOM has been preparing for the Industry 4.0. Era, well ahead of time. The Institute has embraced Education 4.0. not only in curriculum planning but also in pedagogy, incorporating systematically the content and processes for inculcating in students future-ready skills like ‘critical thinking’, ‘creativity’, ‘complex problem solving’, ‘data analytics’, ‘communication’ and ‘socio-emotional’ skills. The myriad opportunities available in campus to students to hone their managerial and leadership skills, are unparalleled. The thematic Conferences and Conclaves at KSOM attracts CEOs, CXOs and seasoned professionals across all domains, bringing opportunities for students to interact and learn from great masters. The added advantage of being a part of KIIT & KISS family, raises their personal dreams and ambitions to excel, inspired by the frequent footfall of World Leaders, Nobel Laureates and Greatest Thinkers in our University Campus. The students of KSOM take pride as alumnus of KIIT University, one among the top 10 Institutes of Eminence in India.

I welcome the student-aspirants to take a joyride on the exciting roller coaster journey of the KSOM Business Management Programme. I welcome you to experience our world class campus, programmes and faculty, and also experience your dreams come true and aspirations turn into reality. Experience too, the vision of our Founder - the joy of giving and caring, to make the whole world smiling.
KIIT Deemed to be University, Bhubaneswar, has recently been awarded Institute of Eminence (IoE) tag from Ministry of Human Resource Development, Govt. of India. It has also been accredited by NAAC of UGC in ‘A’ Grade, underlining the excellence the University has brought about in the field of education. As a further recognition of high-quality education imparted by KIIT Deemed to be University, University Grants Commission (UGC) has nominated KIIT as a mentor to eleven colleges and one University which are awaiting accreditation in different stages.

The University is spread over 25 sq. km. of land accommodating 20 lush green sprawling campuses with a built-up area of 1,00,00,000 sq.ft. The university has 28 constituent schools offering more than 100 programs. High quality teaching and research make KIIT one of the most promising centres of excellence in India.

With more than 25,000 students pursuing undergraduate and postgraduate studies in Engineering, Computer Application, Management, Rural Management, Law, Bio-technology, MBBS, M.D., BDS, Nursing, Fashion Technology, Cinema & Media Studies and Language, KIIT stands out as one of the finest Universities of India declared under section 3 of the UGC Act of 1956.

KIIT educational conglomerate is unique in offering a wide spectrum of academic programmes from Kindergarten to Postgraduate level, earning it a place in the Limca Book of Records.

The institute also has other recreational and intellectually stimulating facilities like Sculpture Park, Art Gallery, Tribal Art Gallery, Rose Garden, Medicinal Herbs Garden, etc. More than 1800 academic and research staffs, many leaders in their fields with international reputation provide stimulating learning environment and excellent standards of teaching.

Our purpose is to contribute significantly to the society and specifically to the world of management education through creating next-gen practitioners of management and leadership and creating new knowledge to initiate, support and sustain new ways of managing.

Optimum environment that is designed to nurture & focus on creating new knowledge.

The expansive campus of KSOM contains large playgrounds, cafes, pools, fountains, open air amphitheatre, rock garden, auditorium, gallery classrooms, various play courts, variety of indoor games, seminar and conference rooms.

The school provides 24x7 medical facilities through KIMS multi-speciality hospital. Hostels rooms are spacious having T.V. lounge, indoor games room, with print and xerox facilities close by.

Give your career the KSOM EDGE

Accreditation and Rank
KSOM’s MBA program is approved by UGC and AICTE. It has been rated in “A” grade by NAAC and has been ranked as the 30th best Management School of India by NIRF, MHRD, Govt. of India.

Academics
The institution is known for its high quality academics. With a teacher to student ratio of 1:10 and several faculties being drawn from IIMs and other premium B-schools, few MBA institutions match KSOM in the quality of faculty.

Placement
KSOM chooses mostly top Indian companies and MNCs for recruitment. Therefore, our Highest Salary: ₹17.33 LPA (International), ₹10.00 LPA (Indian) Average Salary: 6.50 LPA for MBA 2018-19 Batch (average per annum) are far better than most other private B-schools. More than 80 recruiters pick up close to 300 students each year.

Campus Life and Facilities
Our students are highly enthusiastic, conducting some or the other club activity each day, making the campus a buzz with life. The campus has world-class multimedia classrooms, a 4 storied library block, separate hostels for boys and girls and much more.

Being the COMPLETE MANAGER

- Leadership
- Teamwork
- Crisis Management
- Vision
- Strategic Thinking
- Problem Solving
- Functional Skills
- People Skills
- Business Acumen

The classroom case simulations, numerous study tours, club events, group assignments, and live projects at KSOM ensure that students develop a multiplicity of skill sets vital to survive and grow in today’s borderless complex business environment.

"My stint at Czech University of Life Sciences, Prague under the KSOM student exchange program provided me the valuable exposure needed for my career and helped me grow into a more confident & a flexible person."

Ms. Aakanksha Ria
Alumni - KSOM

"KSOM has really played the Magic Wand in my career and is Responsible for who I am today both professionally and personally."

Utkal Mishra
Alumni - KSOM

The corporate Training, the Mentor-mentee sessions with the faculties, the Extensive Focus on extra-curricular activities are a few of the many things that helped an amateur college graduate with no industry-experience, like me, immensely.

Sromona Banerjee
Alumni - KSOM

"KSOM provided me many opportunities to learn and improve. The environment is very nice and friendly and life here has been great."

Jean Philippe Loua
Alumni - KSOM

www.ksom.ac.in | 19
Students get a variety of opportunities to learn on their own, the nuances of Management. They participate as volunteers in business meets and organize several student events and club activities. Students also learn through library reading, online databases and journal subscriptions.

Students are exposed to the industry through interaction with senior leaders from the corporate, via seminars & workshops by working on live projects with local businesses and through major National Level Conclaves that KSOM organizes.

Each student is attached to a faculty mentor who constantly guides him/her on academic and campus matters, throughout the two years of the student’s MBA life.

Creating socially responsible future leaders out of students, step by step.

In the second year, students choose an area of their choice for specialization, while also picking other interesting courses on offer. They lead club activities, participate in various competitions and prepare for the placement season.

When placement season nears, students are given constant counseling on career and job with requisite training on management and soft skills to ensure that they face the selection process confidently.
Beyond the classroom study hours, students learn the nuances of management through a host of clubs and special interest groups.

**Student Clubs**
The club work involves group decision making, leadership skills, creativity, time and conflict management and general camaraderie among others in an entertaining way. The clubs are:
- Matricks, Marketing Club
- Exchequer, Finance Club
- Synergy, HR Club
- Opssession, Technology and Operation
- Aequitas, Sports Club
- Management Club
- FirstCut, Creative and General Mgmt. Club
- Sanskriti, Cultural Club
- Impresario, Entrepreneurship Club

**Pravah, the Magazine**
Students, with active guidance of faculty members, bring out this bi-monthly magazine which contains articles on business and life along with photography and art work by faculty members and students.

**Kolosseum, the B-school Fest**
Kolosseum is the mega annual B-school festival of KSOM. Spread over three days, the event witnesses various management, cultural and creative games culminating in a celebrity star performance.

**National Service Scheme (NSS)**
KSOM NSS wing was started during the Youth Week of 12-19 January, 2011 to usher the students on a path of social service and community development activities. Since then, NSS has been constantly involved in a variety of social work around the campus.

Whether it’s Kolosseum, the mega annual B-school fest, social work by groups such as NSS, club activities such as debate, ad-mad, stock-trading or quiz competition, the campus is always buzzing with activities.
Today, globalization, aided by rapid adoption of technology has been bringing new insights and swift changes in management practices across workplaces that any B-school hoping to stay in the forefront must quickly include in its curriculum. KSOM conducts a rigorous annual exercise to completely review its curriculum and drop, change or add courses as demanded by the industry.

To stay not just relevant, but at the cutting edge of management education, the school has constituted an eminent industry advisory board consisting of MDs, CEOs, owners and senior managers of businesses to advise the school on matters of curriculum, pedagogy and relevant research work.

One of the most exciting things about KSOM is academics. The institution’s constant endeavour has been to ensure that learning is both rigorous and fun at the same time.

Emphasis is laid on understanding the fundamentals rather than just learning by rote and scoring marks in the examination. Every concept taught in the class is used by students in their own way, either while doing their group assignment, field work, industry visit or just arguing with friends in the class. This clarifies the concept and the students develop an ability to clearly apply what they have learnt to real life situations. It also dramatically improves absorption & retention of learning and make our students mature in their outlook.

Pedagogy
The school uses a mix of classroom instruction, case discussion, student group assignment & presentation, project work, individual research work, demonstrations, workshops, outbound learning, industry visits, simulations and management games for teaching and learning.

The COURSE DESIGN
Today, globalization, aided by rapid adoption of technology has been bringing new insights and swift changes in management practices across workplaces that any B-school hoping to stay in the forefront must quickly include in its curriculum. KSOM conducts a rigorous annual exercise to completely review its curriculum and drop, change or add courses as demanded by the industry.

To stay not just relevant, but at the cutting edge of management education, the school has constituted an eminent industry advisory board consisting of MDs, CEOs, owners and senior managers of businesses to advise the school on matters of curriculum, pedagogy and relevant research work.

MBA CURRICULUM

- 02 years full time
- 04 semesters, 8 major exams
- 80 credits in total

Major Components
Core Courses, Elective Courses & Summer Internship

Specializations
a) Marketing b) Financial c) HR d) Operations e) Analytics

At KSOM, we firmly believe management is not just for engineers or commerce students, but for everyone.

Therefore the school lays special emphasis on guiding and nurturing students from science, arts and humanities backgrounds to ensure that they become successful managers. The school also provides make up classes in Mathematics, Computer skills etc. so that students weaker in these areas can catch up.
The core courses in the first year establish a strong foundation in major functions of business viz. business environment, marketing, finance, human resources, business communication, IT and quantitative methods. This input helps students acquire basic skills and builds their confidence to undertake advanced courses during the second year.

Depending on the specialization opted for, a student has to choose electives in the second year, given on the next page.

There are 21 core courses equivalent to 42 credits as well as 15 elective courses equivalent to 30 credits covering Five functional areas.

A minimum of 80 credits is required for successful completion of the program.
The three-year Bachelor of Business Administration programme is designed with the objective of making students corporate-ready, either to become entrepreneurs, junior level executives in the industry, or to pursue higher education, by equipping them with a holistic view of the business environment basic business functions and their interrelationships. The structure of the program is planned to equip the students with requisite knowledge and management skills. This program also lays a concrete foundation for students who may want to pursue higher education in India or abroad.

**Pedagogy**

The pedagogy will include lecture sessions, practicals, case discussions, seminars and presentations. A course will be covered in 45 sessions of 60 minutes each, spread over 4.5 months. The importance of each course is defined in terms of credits attached to it. Semesters I to IV during the first two years of the programme consist of core courses. Semester V commencing in the third year of the programme offers 6 courses all specifically designed to prepare students for admission tests to various MBA programs. Semester VI will offer courses in specialization areas such as Marketing, Finance & Human Resource Management.

Motivated, high calibre Faculty

The faculty at KSOM is a healthy mix of young and old, the academically seasoned and the corporate experienced. Faculty members regularly get involved with students beyond academics through mentoring and club activities.

40+ full time, 25+ visiting faculty

In addition to the regular class schedule, faculty members conduct workshops for students and judge student activities. KSOM fosters a very healthy interaction between the faculty and students.

40% drawn from IIMs, XLRI, MDI, TISS and foreign Universities
Kaushik Sahu
Ph.D. (University of Massachusetts, Amherst), M.Tech. (IIT Bombay), PGDBM (IIM Calcutta)
Experience: Academic-16 years, Corporate-25 years
Areas: Data Analytics and Machine Learning, Operations Management, Logistics and Supply Chain Management and Analytics

Faculty Mentoring
KSOM attaches significant importance to mentoring, which over the years has matured and evolved to play a vital role in the life of a KSOMian. A group of 7 to 10 students from both the years of MBA is attached to each faculty.

Mentees regularly interact with the mentor and discuss with them their academic and campus life, and issues if any.

MENTORING & ASSESSMENT

Mentoring at KSOM contributes significantly to the academic and emotional wellbeing of a student. A student, attached to a faculty mentor for two years develops a special bond with the faculty, resulting in greater exchange of ideas and improved career guidance.

Student Mentoring
In addition to faculty members, second year students are attached to first years as mentors to help the new students especially during the initial days.

From written and unwritten rules of the college to local cuisine, senior mentors come in handy in a variety of situations.

How it’s done
For students going into their second year, it’s important to identify their strong and weak areas so that they know where to focus their effort. Based on scientific testing methodologies, the school carries out an assessment where a student is judged on parameters such as communication skills, team work, logical thinking, numerical skills, leadership skills etc. Each student is scored and provided with an individual feedback.

The score is then shared with the mentor so that appropriate advice can be given to the student. The student’s improvement is tracked over time and any intervention required is done.

Assessment Centre
Assessment centre helps students identify their weak areas and work on strengthening them. Each student is carefully tested on various areas – it includes both soft and academic skills – and then scored. Each scorecard is shared with the respective mentor so that the student can get focused attention.

To make the mentoring rigorous and relevant faculty members keep a detailed record of the mentee and track his/her academic performance and attendance regularly.

A monthly mentoring report is created by the faculty and overall mentoring effectiveness is monitored regularly by the management.

Giving students a hand to HELP & ears to LISTEN
Important

INSTITUTIONAL
PROGRAMS &
ACTIVITIES

Doctoral Program
The Doctoral Program aims to pursue contemporary problems in management that requires critical and out-of-the-box thinking. The program awards Ph.D. in Management from KIIT University.
Since 2005, the Institute has been enrolling scholars from India and abroad for their doctoral research in management. Participants undergo a rigorous selection process including multi-disciplinary interviews before being selected for the program.

Faculty Development Program (FDP)
The faculty at KSOM regularly conducts FDPs for its own or outside faculty members.
The program leverages KSOM’s several years of experience in using case studies while teaching and carrying out research in the various areas of management.
Every year, at the beginning of the academic year, KSOM conducts a major FDP exercise to train newly inducted faculty members as well as engage the old, not just for academic development, but also for institutional development.

Management Development Program (MDP)
KSOM conducts regular MDPs for both young and middle level executives for various private and public sector organizations. While such programs disseminate management education among a far wider and diverse audience, they also enrich KSOM through the rich experience and exposure such an audience brings on board.
In the recent past, KSOM has conducted MDPs for Indian Oil, IndiaPost, NALCO, L&T, Jindal Steel and Power and Odisha Hydropower Corporation Ltd.

Management Research
The school has a robust Research infrastructure, including publishing a bi-annual research journal and organizing several research workshops and conventions. Faculty members regularly write books and publish research articles in reputed national and international journals.

‘Parikalpana’ Research Journal
KSOM’s in-house journal encourages faculty members and students to go beyond the traditional focus areas of management and explore innovative and creative ways of carrying out business. The UGC approved journal is a peer-reviewed biannual publication and has rapidly gained popularity in the last few years.
Contents of the journal include case studies, articles (research or otherwise) and high-quality project work by students or faculty members.

KSOM has 40+ regular and 25+ visiting faculty members, both among the highest across B-schools in India.

Spread over an area of 35 acres, KSOM is an architectural masterpiece that weaves lush greenery with the demands of current management education and thus, creates an environment that has few equals in the Indian private B-school space.
