SCHOOL OF MANAGEMENT

PROGRAMME OVERVIEW

The three-year Bachelor of Business Administration programme is designed with the objective of making students corporate-ready, either to become entrepreneurs, junior level executives in the industry, or to pursue higher education, by equipping them with a holistic view of the business environment, basic business functions and their interrelationships.

The structure of the program is planned to equip the students with requisite knowledge and management skills. This program also lays a concrete foundation for students who may want to pursue higher education in India or abroad.

PEDAGOGY

The pedagogy will include lecture sessions, practicals, case discussions, seminars, and presentations. A course will be covered in 45 sessions of 60 minutes each, spread over 4.5 months. The importance of each course is defined in terms of credits attached to it. Semesters I to IV during the first two years of the programme consist of core courses.

Semester V & Semester VI commencing in the third year of the programme offers 4 core courses each and elective courses in specialization areas such as Human Resource Management, Marketing, Finance, Operations and International Business, all specifically designed to prepare students for admission tests to various MBA programs.

COURSES

First Year

The first year of the programme structure mainly focuses on the introductory courses in key areas including Economics, Financial Accounting, Statistics, Management, Marketing and Managerial Communication.

Second Year

Major courses that are covered in the second year are Financial Management, Organizational Behaviour, Business Law, Human Resource Management and Business Research Methodology.

Third Year

The third year offers courses in the specialization areas of Human Resource Management, Marketing, Finance and International Business in addition to critical subjects of Operations, Taxation, Entrepreneurship and E- Business Management.

BBA CURRICULUM

THREE DIFFERENT COMPONENTS

The BBA Curriculum consists of three different components - Core courses, Elective courses and Field experience in the form of Faculty Guided Project (FGP). The core and elective courses are delivered over 6 semesters.

The core courses establish a strong foundation in major functions of business viz. **business-environment, marketing, finance, human resources, communication, IT, operations and strategy.**
