

Guidelines for Contributors/ Editorial Policy

The journal will include thematic and empirical research papers in the field of Business, Management, allied areas, with emphasis on novelty in research/ research methods. **Please note:** There is NO processing or publication fees charged; no charge for accessing published articles from our journal webpage. It is in Open Access format.

Before submitting the paper for publication, please ensure that this paper has not been sent for publication or published elsewhere. Once a manuscript is submitted for publication, it will be scrutinised by the editor to check for the fitness of the paper for publication in the journal. After the preliminary screening and mandatory similarity check, it will then be blind reviewed by two independent reviewers, for the scientific merit, novelty and interest. Unaccepted manuscript will not be returned. Authors will be communicated within 5-7 months from the date of (online) submission. If no response is given on editorial decision, then it should be presumed that the article has not been considered for publication.

The manuscript should be neatly typed in in **Times Roman** 12 point size font, with 1.5 line spacing, as **single column**. The manuscript can be of up to 6000 words, or maximum 20 pages. The references should be in American Psychological Association format **APA**, 6th Edition.
