Konfidant

CORPORATE MENTORING PROGRAM

Each student is attached to a corporate mentor through a program named “Konfidant” where mentors from various leadership positions in the corporate world guide them on the required skills and attitude for making a mark in the professional world. This way, students are exposed to the industry through such interaction with senior leaders from the corporate which also results in a lifetime bond.

This mentor-mentee relationship is structured to be long-term and mentees continue to engage with their corporate mentors over email, chat messenger and telephone depending on their individual requirements. Mentors continuously monitor the progress of their mentees and provide them timely feedback.

This is one-of-a-kind initiative amongst educational institutes of India. Konfidant program helps KIIT School of Management to be industry-ready when the students graduate from the School.
